NOTICE TENTATIVE CEASE AND DESIST ORDER FOR R.M.E., INC WOODBIDGE WINERY SAN JOAQUIN COUNTY

TO ALL CONCERNED PERSONS AND AGENCIES:

Enclosed is a tentative Cease and Desist Order (CDO) for the Woodbridge Winery wastewater facility in San Joaquin County. Any comments or recommendations you may have concerning the enclosed tentative Order must be submitted to this office by **8 a.m. on 2 April 2007** in order for us to give them full consideration prior to the 3/4 May 2007 meeting of the Regional Water Board. Comments received after this time will not be considered. Please note that the tentative CDO will receive legal review during the public comment period.

You will note that the tentative CDO describes the available groundwater quality data and requires installation of a groundwater monitoring well near the location of Cone Penetrometer Test (CPT) No. 1. It is staff's opinion that CPT No. 1 likely best characterizes background groundwater quality at the facility. Should you not agree with that determination, please provide your alternative analysis in your comments.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative CDO has been sent only to the Discharger. Interested parties are advised that the full text of the CDO is available on the Regional Board's web site at <http://www.waterboards.ca.gov/rwqcb5/tentative> under the heading of "Discharger-Specific Orders for Future Board Meetings." The item will be posted by 20 March 2007.

Anyone without access to the Internet who needs a paper copy of the tentative Order should contact Timothy O'Brien at (916) 464-4616. We would be happy to meet with you prior to the comment deadline to discuss the proposed Order. Please contact Timothy O'Brien at (916) 464-4616 to schedule a meeting.
